July 2019

Dear Parents,

As another year of our Religious Education Academy comes to a close, we would like to review our re-registration policy for next summer.

On the reverse side of this letter, you will find a list of Masses and other activities. We expect all Religious Education families to participate. In order to qualify for early registration in January and February for summer 2020, **your child needs to attend a minimum of 3 academy activities on the list.** *(Please note: Summer 2020 this will increase to a minimum of 4 activities. The last three activities on the calendar are for 2021.)* We will NOT accept registrations from anyone without a complete Academy Card until March 23, 2020.

When you attend your first event, you will pick up a Religious Education Academy Card. Keep this card in a safe place and bring it to each event to document your attendance. This is the ONLY record of what your child attended. We would suggest snapping a photo with your phone each time the card is stamped so that you have a record in the event the card is lost.

Dates for the summer 2020 Academy will be published in the bulletin in December. Registration will open in January. The Academy Card must be returned along with the registration form.

Our Pastor, Father Scott is supportive of this summer intensive program and looks forward to seeing the children not only this week, but also throughout the year at Mass and other parish activities. The goal of our program is not just to complete a week of instruction and be done. Rather it is to assist you, the parents, in helping our children to grow "in wisdom, in age and in grace." We look forward to seeing you throughout the year! If you have any questions please don't hesitate to contact us in the Religious Education office.

Sincerely,

Marge Halloran
Director of Faith Formation
